

## HERRINGBONE COLLECTION

Flooring in herringbone configurations has become increasingly popular. These elegant configurations create a visually interesting pattern that is reminiscent of luxurious European styled interior designs. The sophisticated patterns symbolize status and help to convey a feeling of prestige. Because of the overwhelming requests for herringbone patterned flooring, Grandeur now offers herringbone products in both engineered and vinyl flooring in our most popular colours.

### AVAILABLE ACCESSORIES

All engineered accessories are custom made for your order using the exact same flooring for a perfectly finished match that is not refundable or exchangeable. Please order at least a week in advance.
